

Good Morning-

I am writing in opposition to Bill 1105.

As a Board Certified Associate Behavior Analyst working in the public schools, I see daily the results of untrained professionals working with students.

Teachers, therapists, administration are wonderful at what they do, but they are NOT behavior analysts.

I oppose this bill in order to protect the students I work with daily-they deserve the BEST treatment, with trained professionals, not the CHEAPEST treatment.

Sincerely,

Courtney Rinaldi, M.A., BCABA
